An Idyllic Event Venue

VENUE TOUR POLICY

When you book a tour and select your preferred wedding date, Mohawk Falls reserves your wedding date from other couples and takes time to plan a schedule around giving you a custom tour. To ensure couples do not skip tours, we hold a \$99 deposit to claim your tour and wedding date. Once you tour the venue during your requested time, you will have 72 hours to either confirm your booking and reserve the wedding date, or release the date and receive your \$99 deposit back. You can always decide to book later, but your desired wedding date may not be available after the 72-hour timeframe. If you decide to book within the 72-hour timeframe, the \$99 you paid will be applied to your invoice for booking the venue.
